

Cherokee County
Administrative Record
Galena, KS

Introduction and Index

This index of documents for the Removal Administrative Record #62822 lists documents considered by the United States Environmental Protection Agency with respect to response actions at the Cherokee County Railroads Site, Operable Units (08).

All documents included in EPA's *Compendium of CERCLA Response Selection Guidance Documents*, OSWER 9833.4, as revised, are hereby included in the Administrative Record by reference. All previous Administrative Records for this matter are incorporated in this Administrative Record by reference.

EPA has assessed the ability of the local public to access this Administrative Record through an internet-based repository and has determined that the local community has this ability. As a result, EPA is making the administrative record for this site available for public review through the following internet site: <https://semspub.epa.gov/src/collections/07/AR62822>

The Administrative Record is also available for public review at:
